

Walking Field Trips  
Fort Meadow Early Childhood Center

At Fort Meadow we like to take advantage of teachable moments. At times, the teacher may decide it is a beautiful day to be outside but the playground is wet. In this instance it is best to take a walk and experience the school neighborhood. When these occasions arise we will not have sent home a specific field trip notice. This permission allows us to be off school grounds and in the neighborhood for a short time. The children will be accompanied by the regular classroom staff.

I give permission for my child \_\_\_\_\_ to go on walking field trips in the Fort Meadow neighborhood to include:

- Walking around the neighborhood to look for seasonal signs
- Walking to the mailbox to mail letters
- Walking to Walgreen's as part of a project
- Walking to Casey's Ice House
- Walking to the Produce Market
